THE DYNASTY HUB

Android App Installation Guide

---

1 🌐 **OPEN CHROME BROWSER**
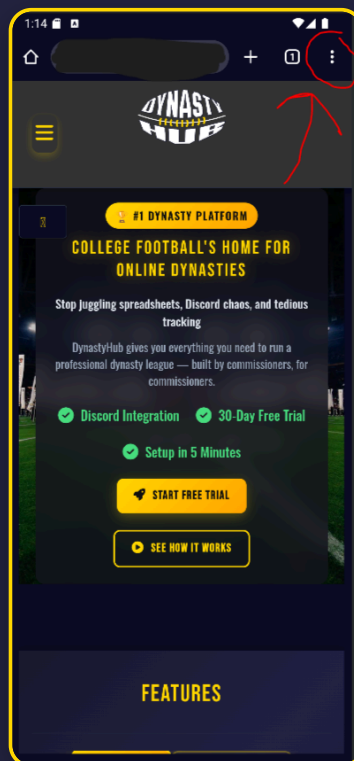

Open Chrome on your Android device and navigate to:

https://www.thedynastyhub.com

2 ⚙️ **OPEN BROWSER MENU**

Tap the three dots menu (⋮) in the top-right corner of Chrome to open the browser menu.
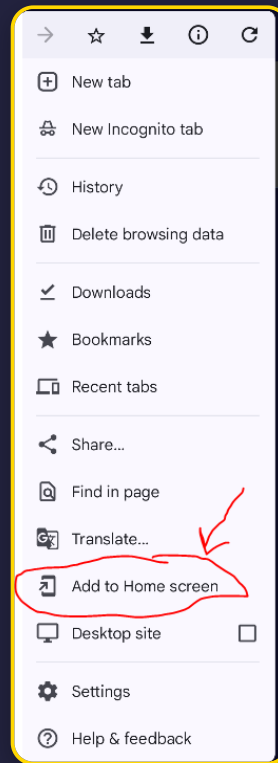

3 📱 ADD TO HOME SCREEN

Look for **"Add to Home screen"** or **"Install app"** in the menu. Tap this option to proceed.

4 ✅ CONFIRM INSTALLATION

You'll see a dialog asking to install Dynasty Hub. Tap **"Install"** or **"Add"** to complete the installation.

💡 **Alternative Method:** If you don't see "Add to Home screen", look for a popup banner at the bottom of the screen that says "Install Dynasty Hub" and tap it!

🎯 APP BENEFITS

✓ Instant access from your home screen

✓ Push notifications for league updates and website notifications

✓ Full-screen app experience

✓ Faster loading and better performance

✓ No Google Play Store download required
